To Whom It May Concern:

I am requesting with this letter that you open an additional account for me. I hereby authorize PFGBEST to use the account forms that I have already executed for account number _____ as the account for my new account.

I understand and agree that all promises, representations and information that is contained in my account forms is still true and accurate. I warrant that all statement in those forms shall apply to the new account as if I had executed a complete set of new account forms.

I understand and agree that the commissions and fees for this new account are _____.
